

ProSoils

Position: Operations Specialist

Location: Rose Valley, Saskatchewan

Term: Permanent & Full-time

About ProSoils

ProSoils is a family-owned independent ag retailer of crop input products and services in central and eastern Saskatchewan. Our ag retail operations were founded in 2013 based on the deep passion and connection we have to the agricultural industry through our multi-generational family farming operation. Our business philosophy is to provide great products and exceptional service to our customers by building a business relationship that is centred around the needs of our customers' farms and their business goals. Our team is passionate, energetic, and enthusiastic about agriculture. Our ag retail operations are located in Saskatchewan near the communities of Rose Valley, Lipton, Carragana (near Porcupine Plain), Langbank, Wawota, and Maryfield.

The Operations Specialist Role

The Operations Specialist position is critical to the performance of the location and customer service. In this position, you will work with the team to ensure the location is able to provide our customers with the products they need in a timely and professional manner. You will work with the sales team as it relates to servicing customers and assisting with product supply and inventory. You will be a ProSoils' Team Member and play a key role in the day-to-day business operations of the location.

Skills Required

- Time Management Skills
- Punctual
- Self-directed
- Organizational skills
- Coachable
- Good communication skills
- Problem-solving capability
- Team-player

Position Requirements

This position does require the ability to perform physically demanding tasks in a safe manner. A Class 1A driver's license would be considered an asset.

Compensation and Benefits

A competitive hourly wage, pension, benefits, and office and professional equipment required to do your job will be provided for you.
